Waiting List Procedure

We keep a waiting list for families who are interested in joining us when a space becomes available.

How we offer places

When a space opens up, we prioritise applications in the following order:

1. **Current Families** – Families requesting additional days or siblings of children already enrolled will be offered places first.
2. **New Families** – If no current families take up the place, we will offer it to families on our waiting list.

Within the waiting list, we generally operate on a **first come, first served** basis. However, we may give priority to families requesting **two or more days per week**, to help maintain consistency for the children and support the rhythm of our group.

How to join the waiting list

To express your interest, please contact us by email and tell us a little about your child, including:

- Their **name and age**
- Any **particular learning needs or interests**
- Your **preferred days of attendance**

We will then invite you and your child to visit the Hub, see the space, and meet us in person. After this visit, if you'd like to go ahead, your child can be added to the waiting list.

Once a space becomes available, your child will be invited to attend a **free trial day** so we can all make sure it's a good fit before moving forward.
